The CSR should be filed within four months after the end of the financial year or such longer period, not exceeding seven months, as the Authority may determine on the application of the insurer. Declaration of capital and solvency return should be signed by two directors and the insurer’s principal representative. The FCR should be signed by the i) chief executive of the insurer and any ii) senior executive responsible for actuarial or risk management or internal audit or compliance function. <u>The FCR is to be published on the insurer’s website within 14 days of the date the report was filed with the Authority.</u> If an insurer does not have a website, it is to furnish to the public a copy of its latest financial condition reporting within 10 days of receipt of a request made in writing. For an insurer to submit an electronic version only, the insurer must submit via the “submit” macro embedded within the BSCR model. To ensure this is working properly, we encourage insurer’s IT department to work with the Authority on the submit functionality prior the submission deadline. Insurers who submit a return via any other method (ie. email) will need to file a hardcopy version as well.
3.	Updated CSR Calculation for 2019 Year-End	a. Insurance (Prudential Standards) (Class 3A Solvency Requirement) Rules 2011	<p>NOTE: For the 2019 year-end, insurers are required to complete the BSCR based on both the 2018 year-end methodology and the revised 2019 year-end CSR calculation. If an insurer wishes to determine their capital charge based on the revised methodology only, insurers are required to apply for permission via email request to RiskAnalytics@bma.bm.</p>
4.	Audited Financial Statements	a. Section 17A of the Act (and subsequent proposed amendments)	<p>Additional financial statements prepared in accordance with Generally Accepted Accounting Principles (GAAP)</p> <p>Such financial statements shall be prepared in accordance with any one of the following standards or principles —</p>

			<p>a. International Financial Reporting Standards (IFRS);</p> <p>b. Generally Accepted Accounting Principles (GAAP) that apply in Bermuda, Canada, the United Kingdom or the United States of America; or</p> <p>c. Such other GAAP as the Authority may recognise.</p> <p>Every insurer shall file with the Authority a copy of the audited financial statements prepared under this section (together with the notes to those statements and the auditor’s report thereon) within a period of four months from the end of the financial year to which the financial statements relate or such longer period, not exceeding seven months, as the Authority may determine on the application of the insurer.</p> <p>NOTE: For the 2016 year-end, and beyond, Class 3A insurers may without regulatory approval submit condensed general purpose financial statements in accordance with the Insurance Account Rules 2016 instead of additional GAAP financial statements.</p>
5.	Alternative Capital	a. Insurance (Prudential Standards) (Class 3A Solvency Requirement) Rules 2011	<p>Alternative Capital is defined as “Insurers that conduct business that is financed by a mechanism other than shareholders’ capital of the (re)insurance company. This may take various forms such as catastrophe (cat) bonds, industry loss warrants, sidecars, collateralised reinsurers, longevity and mortality bond/swaps, hybrid securities such as preference shares, swaps, and contingent capital such as letters of credit, among others.”</p> <p>If insurers have such capital arrangements, insurers are to complete Schedule V(m) of the BSCR model.</p>
