In Memoriam Virtual Board Available Following the Passing of Marcia Woolridge-Allwood

HAMILTON, BERMUDA – Deeply saddened by the passing of Senior Advisor Marcia Woolridge-Allwood, the Bermuda Monetary Authority (Authority or BMA) has provided an avenue for the financial services industry and associated organisations to share their messages, memories of Ms. Woolridge-Allwood and well wishes for her family.

Ms. Woolridge-Allwood passed away on Thursday, 23 September 2021, surrounded by her loved ones. Having served as a BMA employee since 1986, her contributions to the Authority, Bermuda’s financial services industry, global standards of supervision and regulation, and Bermuda at large cannot be expressed adequately in words. Due to the current public health considerations, the BMA has designed a virtual memoriam board where the public may post messages, which will then be printed, bound and given to her family.

Interested members of the public may visit the “In Memoriam: Marcia Woolridge-Allwood” navigation tile on the BMA’s website (i.e., the yellow tile located below the scrolling banner on the home page). From this page, users will be directed to an external service where they may post messages beginning Wednesday, 29 September 2021 until 5 p.m. on Wednesday, 6 October 2021 (Atlantic Daylight Time).
