#### **Report of Independent Auditors**

To the Board of Directors of Osprey Re Ltd.

#### **Opinions**

We have audited the accompanying condensed financial statements of Osprey Re Ltd. (the "Company"), which comprise the condensed balance sheets and condensed statements of capital and surplus as of December 31, 2022 and 2021, and the related condensed statements of income for the years then ended, including the related notes (collectively referred to as the "condensed financial statements").

Unmodified opinion on regulatory basis of accounting

In our opinion, the accompanying condensed financial statements present fairly, in all material respects, the financial position of the Company as of December 31, 2022 and 2021 and the results of its operations for the years then ended in accordance with the financial reporting provisions of the Insurance Act 1978, amendments thereto and the Insurance Account Rules 2016 with respect to condensed general purpose financial Statements (the "Legislation").

Adverse opinion on U.S. generally accepted accounting principles

In our opinion, because of the significance of the matter discussed in the *Basis for adverse opinion on U.S. generally accepted accounting principles* section of our report, the accompanying condensed financial statements do not present fairly, in accordance with accounting principles generally accepted in the United States of America, the financial position of the Company as of December 31, 2022 and 2021, or the results of its operations for the years then ended.

#### **Basis for Opinions**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (US GAAS). Our responsibilities under those standards are further described in the *Auditors'* responsibilities for the audit of the condensed financial statements section of our report. We are required to be independent of the Company and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Basis for adverse opinion on U.S. generally accepted accounting principles

As described in Note 3 to the condensed financial statements, the condensed financial statements are prepared by the Company on the basis of the financial reporting provisions of the Legislation, which is a basis of accounting other than accounting principles generally accepted in the United States of America, to meet the requirements of the Bermuda Monetary Authority.

#### Report of Independent Auditors April 28, 2023

The effects on the condensed financial statements of the variances between the regulatory basis of accounting described in Note [3] and accounting principles generally accepted in the United States of America, although not reasonably determinable, are presumed to be material and pervasive.

#### Responsibilities of management for the condensed financial statements

Management is responsible for the preparation and fair presentation of the condensed financial statements in accordance with the financial reporting provisions of the Legislation. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of the condensed financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the condensed financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for one year after the date the condensed financial statements are available to be issued.

#### Auditors' responsibilities for the audit of the condensed financial statements

Our objectives are to obtain reasonable assurance about whether the condensed financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with US GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgement made by a reasonable user based on the condensed financial statements.

In performing an audit in accordance with US GAAS, we:

- Exercise professional judgement and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the condensed financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the condensed financial statements.
- Obtain an understanding of internal controls relevant to the audit in order to design audit
  procedures that are appropriate in the circumstances, but not for the purpose of expressing an
  opinion on the effectiveness of the Company's internal control. Accordingly, no such opinion is
  expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant
  accounting estimates made by management, as well as evaluate the overall presentation of the
  condensed financial statements.
- Conclude whether, in our judgement, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for a reasonable period of time.

#### Report of Independent Auditors April 28, 2023

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Yours faithfully,

Chartered Professional Accountants Hamilton, Bermuda

### NOTES TO CONDENSED CONSOLIDATED GENERAL PURPOSE FINANCIAL STATEMENTS AS AT DECEMBER 31, 2022

#### Matters to be set forth in a General Note to the Financial Statements

- 1. Osprey Re Ltd. (the "Company") was incorporated on April 23, 2013 as an exempted company with the Registrar of Companies in Bermuda. Effective May 31, 2013, the Company registered as a Class 3A insurer under The Bermuda Insurance Act 1978 and related regulations (the "Act"). The Company is wholly owned by Heritage Insurance Holdings Inc. (the "Parent"), formerly Heritage Insurance Holding LLC, a corporation domiciled in Delaware, USA.
- 2. The Company provides Florida and Hawaii catastrophic reinsurance coverage to its affiliated companies, Heritage Property & Casualty Insurance Company ("HPCI") and Zephyr Insurance Company ("Zephyr") respectively. The Company covered exposure to catastrophic events caused by natural events such as high winds, tornadoes, tropical storms and hurricanes.
- 3. The condensed general purpose financial statements have been prepared in conformity with the financial reporting provisions of the Insurance Act 1978, amendments thereto and the Insurance Account Rules 2016 with respect to Condensed General Purpose Financial Statements (the "Legislation"). The condensed general purpose financial statements are based on United States of America Generally Accepted Accounting Principles ("US GAAP") but are in accordance with the reporting requirements of the Legislation, which varies in certain respects from US GAAP.
- 4. The significant accounting policies are as follows:

#### a. Premiums

Premiums assumed are recorded on the accruals basis and are included in income in the period to which they relate. Commissions are recorded on the accrual basis. The portion of premiums unearned as of the date of commutation are recorded as an adjustment to premiums written.

#### b. Cash and time deposits

The Company considers all highly liquid investments and those investments with an original maturity date of 90 days or less as equivalent to cash.

#### c. Loss and loss expenses

Loss and loss expenses paid are recorded when advised by the ceding insurance company. Outstanding losses comprise estimates for aggregate losses in excess of the Company's attachment point based on information received from the claims administrators plus a provision for losses incurred but not reported. Management believes that the provision will be adequate to cover the ultimate net cost of losses incurred to the balance sheet date but the provision is necessarily an estimate and may ultimately be settled for a greater or lesser amount. Any subsequent differences arising are recorded in the period in which they are determined.
