

**Utmost Bermuda Limited**  
**Condensed Financial Statements**  
**Financial Year Ended 31 DECEMBER 2022**

## Independent auditor's report

To the Board of Directors of Utmost Bermuda Limited

### **Our opinion**

In our opinion, the condensed financial statements of Utmost Bermuda Limited (the Company) are prepared, in all material respects, in accordance with the financial reporting provisions of the Insurance Act 1978, amendments thereto and the Insurance Account Rules 2016 with respect to condensed general purpose financial statements (the 'Legislation').

### ***What we have audited***

The Company's condensed financial statements comprise:

- the condensed balance sheet as at December 31, 2022;
- the condensed statement of income for the year then ended;
- the condensed statement of capital and surplus as at December 31, 2022; and
- the notes to the condensed financial statements, which include significant accounting policies and other explanatory information.

---

### **Basis for opinion**

We conducted our audit in accordance with International Standards on Auditing (ISAs). Our responsibilities under those standards are further described in the *Auditor's responsibilities for the audit of the condensed financial statements* section of our report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### ***Independence***

We are independent of the Company in accordance with the International Code of Ethics for Professional Accountants (including International Independence Standards) issued by the International Ethics Standards Board for Accountants (IESBA Code) and the ethical requirements of the Chartered Professional Accountants of Bermuda Rules of Professional Conduct (CPA Bermuda Rules) that are relevant to our audit of the condensed financial statements in Bermuda. We have fulfilled our other ethical responsibilities in accordance with the IESBA Code and the ethical requirements of the CPA Bermuda Rules.

---

### **Emphasis of matter – basis of accounting**

Without modifying our opinion, we note that the condensed financial statements have been prepared in accordance with the financial reporting provisions of the Legislation. The accounting policies used and the disclosures made are not intended to, and do not, comply with all of the requirements of International Financial Reporting Standards.

---

## **Responsibilities of management for the condensed financial statements**

Management is responsible for the preparation of the condensed financial statements in accordance with the financial reporting provisions of the Legislation, and for such internal control as management determines is necessary to enable the preparation of condensed financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the condensed financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

---

## **Auditor's responsibilities for the audit of the condensed financial statements**

Our objectives are to obtain reasonable assurance about whether the condensed financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with ISAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these condensed financial statements.

As part of an audit in accordance with ISAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the condensed financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the condensed financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

## **General notes to the Condensed Financial Statements**

1. Utmost Bermuda Limited ("the Company") is a wholly-owned subsidiary of Utmost PanEurope Designated Activity Company, which is incorporated in Ireland.

On the 31<sup>st</sup> October 2019 the ownership was transferred from HLI Danube DAC another Utmost Ireland Group entity. Until November 30, 2016, the Company was a wholly-owned subsidiary of The One Life Holding Sàrl (formerly NPG Wealth Management Sàrl.), which is incorporated in Luxembourg. The name of the Company was changed from Altraplan Bermuda Limited on August 31, 2018. Neither the activities of the Company nor the structure was changed upon the change of Company name.

Pursuant to the Company's registration as a segregated accounts company under the Segregated Accounts Companies Act 2000 ("SAC Act"), the general assets of the Company are not available to satisfy liabilities arising from the activities of the segregated policyholder accounts. The segregated assets and liabilities are legally segregated from the general shareholder assets and liabilities of the Company (the "Shareholder Account") and general creditors.

The Company provides both segregated policyholder accounts (the "Policyholders Accounts"), and insurance solutions to its clients.

2. The Company's principal activity was that of promoting and issuing investment orientated life assurance products known as long term insurance business as defined by the Insurance Act 1978 and Related Regulations of Bermuda. Effective September 20, 2011, the Bermuda Monetary Authority has imposed a condition into the Company's registration that no new contracts of insurance and reinsurance can be effected without their prior approval. As of December 31, 2022, gross premiums written amounted to \$1k (2021: \$1k) as a result of premium top-ups from existing segregated policyholders. These transactions are not new contracts of insurance and thus, do not violate said condition. As the premiums relate to segregated policies the premiums are not reflected on the income statement in line with segregated accounting principles.
3. The condensed general purpose financial statements have been prepared in conformity with the financial reporting provisions of the Insurance Act 1978, amendments thereto and the Insurance Account Rules 2016 with respect to Condensed General Purpose Financial Statements (the "Legislation"). The condensed general purpose financial statements are based on International Financial Reporting Standards ("IFRS"). The accounts are prepared in accordance with the reporting requirements of the Legislation, which varies in certain respects from IFRS. The more significant variances are as follows:
  - A statement of cash flows is not included;
  - A statement of comprehensive income is not included;
  - The presentation and classification of financial statement line items is in accordance with Schedules IX and XI of the Insurance Account Rules 2016 and differ from the expected presentation and classification under IFRS; and
  - The notes included in the condensed general purpose financial statements have been prepared in accordance with Schedule X of the Insurance Account Rules 2016 and exclude certain information required under IFRS.

The 2022 accounts and the 2021 comparatives are prepared on a full segregated accounting basis.

**General notes to the Condensed Financial Statements contd**

4. The significant accounting policies of the Company are as set out below:

**SAC Accounting Policy**

The Company accounts for policyholder assets using segregated accounting, no transactions relating to these accounts are reflected in the Condensed Statement of Income and all the assets related to these policies are included on the Condensed Balance Sheet in line 13(b) and the related liabilities are included on line 36(b). Segregated assets or liabilities have no recourse to the assets of the Company.

**Investment Income**

Investment income includes amounts received and accrued in respect of interest payable to the Company on cash and cash equivalents. Investment management and custody fees are charged against net investment income reported in the Condensed Statement of Income.

**Claims**

Claims are accounted for upon receipt of notification of the claim. Any amounts recoverable from the reinsurers are recorded in a manner consistent with the underlying liabilities.

**Reinsurance**

The Company enters into reinsurance contracts in the normal course of business in order to limit the potential for losses arising from certain exposures. Outwards reinsurance premiums are accounted for in the same period as the related premiums for the direct or inwards business being reinsured.

**Cash and cash equivalents**

Cash and cash equivalents include money market accounts and highly liquid short term deposits and securities with maturities of 90 days or less at the time of purchase.

**Investments**

Fixed interest securities, quoted unit-linked investments are stated at bid value at the close of business on the balance sheet date or bid values closest to the balance sheet date. Unquoted unit-linked investments are stated at cost, or at estimated market value or net asset value if these are available. The difference between unrealized gains or losses at the beginning and at the end of the year is debited or credited to the condensed statement of capital and surplus.

The unquoted unit-linked investments are purchased upon the direction of the segregated account policyholders, with the policyholder bearing all of the risk of any changes in valuation of the quoted and unquoted investments underlying the segregated account asset reflected on the Condensed Balance Sheet.

Unquoted unit-linked investments are carried at cost or at the estimated market value or net asset value (where available). The potential lack of information available to value these investments requires management to exercise judgment when determining the carrying value recorded in the Condensed Balance Sheet. To the extent that the value of these assets is greater than or less than the amount recorded in the financial statements, there would be an equal adjustment to the segregated account liability to the policyholder.

**General notes to the Condensed Financial Statements contd**

**Sundry assets and liabilities**

As described in Note 1, in accordance with the Company's incorporation under the SAC Act, assets and liabilities of certain policies are legally segregated. As of December 31, 2022 and 2021, the following assets and liabilities are segregated from the general assets and liabilities of the Company.

	<b>For the year ended December 31, 2022 \$'000'</b>	<b>For the year ended December 31, 2021 \$'000'</b>
<u>Segregated assets</u>		
Policyholder invested assets	338,696	512,099
Cash	4,147	2,880
Debtors	-	472
	<u>342,843</u>	<u>515,451</u>
<u>Segregated liabilities</u>		
Policyholder technical provisions	341,014	512,752
Creditors	1,829	2,699
	<u>342,843</u>	<u>515,451</u>

For the year ended December 31, 2022 and 2021, the segregated accounts recorded the following transactions:

	<b>For the year ended December 31, 2022 \$'000'</b>	<b>For the year ended December 31, 2021 \$'000'</b>
Premiums	1	1
Claims	(42,216)	(44,908)
Investment (losses)/returns	(118,328)	83,319
Other income	657	1,346
Fees and charges	(369)	(461)
Change in Surrenders Payable	(802)	1,681
Change in Creditors	(53)	(57)
FX Impacts	(11,498)	(12,467)
Change in Segregated Assets	<u>(172,608)</u>	<u>28,454</u>
Balance 31 December 2021	515,451	
Balance 31 December 2022	<u>342,843</u>	
Movement	<u>(172,608)</u>	

**Policy reserves**

For unit-linked business (i.e. where the policyholder bears the investment risk) the liability is calculated as the sum of the value of the units allocated to each policy. These are included as part of the segregated liabilities balance.

**Other income**

Other insurance income includes mainly retrocession and management fees.

**General notes to the Condensed Financial Statements contd**

5. The basis for investment income is set out in note 4 above. The Company does not have any premium income or commission income.
6. Assets and liabilities denominated in foreign currencies are translated into USD at the exchange rates in effect at the balance sheet date. Income and charges denominated in foreign currencies are converted into USD at the exchange rate prevailing at the transaction date. Gains and losses arising from foreign exchange translations are recognised in the Condensed Statement of Income, unless related to the segregated accounts.
7. There are no foreign exchange control restrictions affecting the assets of the Company.
8. There are no material contingencies or commitments at the balance sheet date.
9. The Company did not issue any securities or enter any credit agreements during the financial year.
10. The Company does not have any preferred cumulative shares.
11. There was no loan made by the Company to any director or officer of the Company outside the ordinary course of business during the financial year.
12. The Company has no employees.
13. Fair value amounts for all quoted and unquoted investments are as follows:

		<b>December 31, 2022 \$'000'</b>	<b>December 31, 2021 \$'000'</b>
<b>Quoted investments:</b>			
2(a) ii.	Bonds - other	5,877	5,800
13 (c)	Sundry assets-Segregated accounts companies long-term business	326,247	497,478*

\*promissory notes of \$3.1m were represented to Level 3 consistent with current year presentation.

14. The contractual maturity profile of the Company's fixed maturity and short-term investments are noted below.

	December 31, 2022 \$'000'	December 31, 2021 \$'000'
<b>Fixed income securities</b>		
Due within than one year	5,877	5,800
Due after one year through to five years	-	-
Due after five years through to ten years	-	-
Due after ten years	-	-
Total	5,877	5,800

15. The Company is a wholly-owned subsidiary of Utmost Pan Europe dac. As at 31 December 2022 the Company owed Utmost Services Ireland Limited \$Nil (2021: Nil) in respect of services provided under the Management Services Agreement (MSA). Utmost Services Ireland Limited provide the staff to administer the Utmost Bermuda Limited policies. Policy administration, investment accounting, computer services and support staff are received from Utmost Administration Limited Isle of Man. As at 31 December 2022, \$5k was owing (2021 \$7k). These creditor balances are included under amounts due to affiliate's line 32 of the condensed balance sheet.

16. There have been no transactions or events occurring outside the ordinary course of business between December 31, 2022 and the date of approval of the condensed financial statements by the Board of Directors which would materially affect the condensed financial statements.

**General notes to the Condensed Financial Statements contd**

**Matters to be set forth in Notes to the Condensed Statement of Capital and Surplus**

- 1(a) Authorized, issued and fully paid 500,000 (2021 500,000) common shares at par value US\$1 each.
- 1(b) The Company has contributed surplus amounting to \$2,873k (2021: \$2,873k). There was no change to Contributed Surplus during the year.
- 2(c) The Company did not pay dividends in 2022 (2021: \$nil) to the shareholder on record.

**Matters to be set forth in Notes to the Condensed Balance Sheet**

1. There are no encumbrances on cash or cash equivalents. Cash and cash equivalents at 31 December 2022 amounted to \$2,137k (2021: \$2,353k).
2. Transferable securities admitted to an official stock exchange listing or traded on another regulated market are valued on the basis of the last available market price. If such securities are listed on several markets, the last known price on the principal market is applied. There are no encumbrances on quoted investments.
3. Transferable securities not admitted to an official stock exchange listing or not traded on another regulated market, and transferable securities admitted to an official stock exchange listing or traded on another regulated market, but for which the last available price is not representative, are valued on the basis of their reasonably foreseeable price determined based on available information provided by the custodian banks, other price providers or in the financial statements of these investments. Unquoted unit-linked investments are stated at cost, or at estimated market value or net asset value if these are available.

The unquoted unit-linked investments are purchased upon the direction of the segregated account policy holder, with the policyholder bearing all of the risk of any changes in valuation of the quoted and unquoted investments underlying the segregated account asset reflected on the Condensed Balance Sheet. Unquoted unit-linked investments are carried at cost or at the estimated market value or net asset value (where available). The potential lack of information available to value these investments requires management to exercise judgment when determining the carrying value recorded in the Condensed Balance Sheet. To the extent that the value of these assets is greater than or less than the amount recorded in the condensed financial statements, there would be an equal adjustment to the segregated account liability to the policyholders.

In situations where information supporting the valuation of the underlying investments is not current or has not been received, following management requests for further information from the policyholder and no further information is available, management may write down the value of the asset (and the corresponding value of the reserve payable included within the segregated account liabilities to the policyholder) and inform the policyholder accordingly. As at December 31, 2022, the company wrote off \$0k (2021 \$11k) of assets having determined that their value was overstated.

22. The following are the assumptions underlying the Expense Reserve:

An expense reserve was determined by forecasting the total income and expenses of the Company. The annual income was projected for a 25-year time horizon, allowing for surrenders and assuming that market values fall by 25% at the valuation date.

Expenses were projected assuming an ongoing fixed expense, together with a variable amount changing with the projected number of in-force policies. The reserve was determined by discounting the projected net income to the valuation date.

The basis used in these calculations was:

Gross future fund growth	3.0%
USD expense inflation	3.0%
EUR expense inflation	3.0%
Discount rate	3.4%

Traditional business consists of term, whole life and endowment assurances and annuity contracts under which premiums and policyholder benefits were fixed at the outset of the contract. The reserves have been determined by projecting forward the income and outgoes of the policy to determine the reserves required to meet any shortfall. The reserve was calculated at a policy level using a cashflow projection with monthly time steps and allowing for mortality and longevity assumptions. A reserve is also held for death benefits above the unit value on unit linked contracts.

The level of the reserves and the underlying calculations, have been formally reviewed by the Company's approved actuary.
