Report of Independent Auditors

To the Board of Directors Genesis Underwriters, Ltd.

Our opinion

In our opinion, the condensed financial statements of Genesis Underwriters, Ltd. (the Company) are prepared, in all material respects, in accordance with the financial reporting provisions of the Insurance Act 1978, amendments thereto and the Insurance Account Rules 2016 with respect to condensed general purpose financial statements (the 'Legislation').

What we have audited

The Company's condensed financial statements comprise:

- the condensed balance sheet as at December 31, 2022;
- the condensed statement of income for the year then ended;
- the condensed statement of capital and surplus as at December 31, 2022; and
- the notes to the condensed financial statements, which include a summary of significant accounting policies.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs). Our responsibilities under those standards are further described in the *Auditor's responsibilities for the audit of the condensed financial statements* section of our report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Independence

We are independent of the Company in accordance with the International Ethics Standards Board for Accountants' Code of Ethics for Professional Accountants (IESBA Code) and the ethical requirements of the Chartered Professional Accountants of Bermuda Rules of Professional Conduct (CPA Bermuda Rules) that are relevant to our audit of the condensed financial statements in Bermuda. We have fulfilled our other ethical responsibilities in accordance with the IESBA Code and the ethical requirements of the CPA Bermuda Rules.

Emphasis of matter – basis of accounting

Without modifying our opinion, we note that the condensed financial statements have been prepared in accordance with the financial reporting provisions of the Legislation. The accounting policies used and the disclosures made are not intended to, and do not, comply with all of the requirements of International Financial Reporting Standards.

Responsibilities of management and those charged with governance for the condensed financial statements

Management is responsible for the preparation of the condensed financial statements in accordance with the financial reporting provisions of the Legislation, and for such internal control as management determines is necessary to enable the preparation of condensed financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the condensed financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Company's financial reporting process.

Auditor's responsibilities for the audit of the condensed financial statements

Our objectives are to obtain reasonable assurance about whether the condensed financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with ISAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these condensed financial statements.

As part of an audit in accordance with ISAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the condensed financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the condensed financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Yours faithfully,

**Chartered Professional Accountants
Hamilton, Bermuda**

NOTES TO CONDENSED GENERAL PURPOSE FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2022

Matters to be set forth in a General Note to the Financial Statements

1. Genesis Underwriters, Ltd. (the “Company”) was incorporated as an exempted company on July 24, 2012 under the laws of Bermuda and it was registered as a Class B long term insurer under the Bermuda Insurance Act 1978, as amended (the “Insurance Act”). Effective July 27, 2018, the Company deregistered as a Class B insurer and registered as Class 3A insurer under the Insurance Act. The Company is managed in Bermuda and is a wholly owned subsidiary of ClementiaRe Holding Ltd. (the “Parent”), an exempted company incorporated under the laws of Bermuda. The Parent provides access to finance for environmentally green companies involved in the food, water, energy, minerals and renewable sectors.
2. The Company provides coverage for Contractors All Risk (“CAR”) and Erection All Risk (“EAR”), General Liability, Products Liability, Directors & Officers (“D&O”), Professional Indemnity Insurance, Surety, Property and Business Interruption policies for green projects in which the Parent participates. Under the Company’s insurance license, business written in connection with projects supported by the Parent is deemed related business. The Company also seeks to provide similar insurance coverages to non-Parent related projects, which is deemed unrelated business. The Company is currently limited to a line of \$1.25 million per insurance contract. During 2022 and 2021, the Company participated solely in related business and effected contracts in a bio-fuel and e-waste processing plant. The Company participated as a coinsurer on a contract covering risks related to the construction of the bio-fuel plant, where the Company retained \$643k risk in 2021 (\$0 in 2022). In 2021, the Company also participated as a coinsurer on a contract covering risks related to the construction of e-waste processing plant, which included Delay in Start-up and Business Interruption, where the Company retained \$1m risk across the entire program.
3. These condensed financial statements have been prepared in accordance with International Financial Reporting Standards (“IFRS”) adjusted for filters prescribed by Insurance Account Rules 2016 and Related Regulations.
4. The Insurer's significant accounting policies are as follows:

(a) Premiums

Premiums written are recorded on the accruals basis and are included in income on a pro-rata basis over the period the coverage is provided with the unearned portion deferred in the condensed statutory balance sheet. Reinsurance premiums ceded are similarly pro-rated over the period the coverage is provided with the unearned portion being deferred in the condensed statutory balance sheet net of unearned premiums.

(b) Loss and loss expense provisions

Loss and loss expense provisions include a provision for losses incurred but not reported and are recorded as reported by the reinsured. Such liabilities are necessarily based on estimates and while the directors and management believe that the amounts are fairly stated, the ultimate liability may be in excess of, or less than, the amounts provided. The methods of making such estimates and for establishing the resulting provisions are continually reviewed and any adjustments resulting therefrom are reflected in the periods in which they become known.

(c) Cash and time deposits

The Company considers all cash on hand, money market funds, deposits with financial institutions that can be withdrawn without prior notice or penalty, and short-term deposits with an original maturity of ninety days or less as equivalent to cash.

(d) Interest income

Interest and dividend income are recognized on the accruals basis.

15. Related Party Transactions

In 2021, a Consulting Services Agreement (the "Agreement") was put in place with Holborn Underwriting Limited ("Holborn") in recognition of the vital and fundamental role played by Holborn in connection with the Camston Wrather, LLC placements. All fee income received by the Company in respect of the 2021 placement of insurances provided to Camston was to be paid to Holborn, subject to a maximum of \$600,000. Holborn is affiliated with one of the Company's directors. It was further noted that all payments to Holborn under the Agreement were to be divided and distributed equally by Holborn among certain directors of the Company. The Company paid \$434,153 to Holborn under the Agreement for the year ended December 31, 2021.

Please refer to note 4 on the Matters to be set forth in Notes to the Balance Sheet for loan receivable and other amount due from Parent.

16. Subsequent Events

The Company has assessed the impact of events in 2022 involving the Russian Federation and Ukraine and has determined that there is no material impact on the financial statements for the year ended December 31, 2022 as a result of these events

17. Other Matters

During the year ended December 31, 2021, a disagreement arose between the Company and two of its directors who have asserted that they are owed outstanding remuneration as directors. The Company has previously discussed remuneration in the form of management salaries (the "Salaries") for executive officers. However, the Salaries were dependent on the Company generating sufficient profits to support the payments and beyond reasonable doubt the Company has not achieved that position of profitability in the period since its reorganization in 2018. The Directors have engaged legal counsel, but to date no formal letter has been served on the Company in relation to their demands.
